BIGFISH BRINGS YOU FERRY CORSTEN

– DJ , PRODUCER , THE MACHINE THAT OPERATES ABOVE THE LAW!

This DJ/producer, who has just toured with his "Twice in A Blue Moon: The Experience" show, has played to hundreds of thousands of fans across the globe and has been busier than ever, strengthening the link between his own musical production and DJ show elements. Based on his last artist album of the same name (featuring the hugely successful singles "We Belong," "Radio Crash," and "Made of Love" were released on Corsten's own record label Flashover Recordings), the show is just the latest in a career that has melded influential productions with unprecedented live sets. In stark contrast to the typical DJ set that focuses solely on the DJ himself, Blue Moon's 6-hour plus set sees Corsten as only one part of a grand, visual production, bringing the crowd into the party instead of lecturing and dictating like so many of his peers.

NIGHTCLUB

THE 5 ELEMENTS OF A GOOD NIGHTCLUB.....

1. DJ - a good DJ that can read the crowd and manipulate them to party hard is what makes a club stand out from the rest.. **2**. Club Promoter. to bring in the core crowd that set the clubs mode. **3**. Sound System - a club needs to heavily invest in their sound to keep the crowd happy. **4**. Venue Layout - this includes lighting and placement of dj booth and space of dancefloor. Too dark? Too bright? All these details is all important. **5**. Crowd - not something you can really control, but uber important.

Christian Audigier, the international fashion designer famed for dressing the likes of Britney Spears and Madonna, has launched two new Champagnes and his range of fine wines into the UK.
Aimed at the young and affluent consumer, the Champagnes, produced by Dumangin winemakers based in Chigny Les Roses, bear the trademark rock n' roll tattoo imagery synonymous with the Audigier wine range..

– AUDIGIER'S MULTI-MILLION DOLLAR BUSINESS EMPIRE NOW INCLUDES HEAVY HANG-OVER....

Audigier's multi-million dollar business empire includes a stable of 'must have' designer brands, including Ed Hardy, Christian Audigier, SMET, Crystal Rock, C-Bar-A, Savoir Faire, Evel Knievel , Rock Fabulous and Paco Chicano. A tireless entrepreneur, Audigier has even found time to launch a nightclub – 'Christian Audigier' – which has quickly become the hottest nightclub on Vegas's glamorous Strip. He has also starred on America's Next Top Model and Cribs on MTV– his close, A-list celebrityfriends include Madonna and Michael Jackson who attended his star-studded 50th Birthday party in the USA last year.

Christian Audigier isn't just a worldwide fashion phenomena, he is a walking, talking, living, breathing lifestyle. He is a heady mix of celebrity icons, street culture, Gallic charm, Hollywood glam and rock 'n' roll. His career has become a roller coaster ride that takes in his remarkable fashion brands, unique wine and champagne, the hottest night spot in Vegas, designer watches and a hotel, soon to be completed in Dubai, featuring Christian Audigier designs.
Christian's fame is such that he really is "the celebrities' celebrity". How else would you describe a man who invites Michael Jackson to his 50th birthday. The king of pop didn't only show up but paid Christian the highest possible compliment, calling him "the king of fashion"./**SLITZ**

INTERVIEW

PROFESSION? Dj, Producer and Model.

FOR THOSE THAT DON'T KNOW GIVE THEM THE RUN DOWN ON WHO YOU ARE? I am an international DJ and model and actually a very down to earth but powerful woman and proud mother of a beautiful daughter.

HOW LONG HAVE YOU BEEN A DJ AND WHY DID YOU FIRST GET INTO DJING? I am djing since almost ten years now and I simply did it for the love of music and to satisfy my desire to spread great sounds in my own and unique way.

WHAT WAS YOUR FIRST BOOKING AND WHAT HAS BEEN YOUR BEST DJ EXPERIENCE? My first booking was at a private beach party in Venezuela with still more than 300 attendants and it was a great experience even I was a bit nervous.

My best DJ experience was to perform back to back with Eric Morillo at the South American Music Conference back in 2006 in Panama and almost all my international tours in Asia and Europe etc.

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? The mentioned one in Panama, even I am not judging the success of a gig on the numbers of visitors. It always has to be an all around great feeling for me to make it special. That's why I love to play in my home town Caracas in front of my loyal fans and friends.

DO YOU PREFER PLAYING AT CLUBS OR BIGGER EVENTS? I prefer the clubs where I am able to play a more special and Underground touched set as on big events. It is still not possible to play deep and dark sounds at a big festival on a main stage. Nevertheless I am enjoying them as well.

WHO AND WHAT ARE YOUR INFLUENCES? I am a fan of Anja Schneider from Germany, Great sounds, sets and productions. Also I do like almost all coming from Europe what is minimal and non commercial same as many Argentinian and Chilean productions. My all time idol is and was Paco Osuna from Spain.

HOW WOULD YOU DESCRIBE YOUR SOUND? I am versatile and able to adjust my sets. My sound can be dark, deep and groovy until hard and progressive. Everything but commercial!

WHAT'S YOUR TOP 4 TRACKS OF THE MONTH? (1) Anja Schneider - I thought, (2) Remerc - Vilassar, (3) Tania Vulcano - Teflo (4) Miss Ilda - Tescla (DJ Moffous RMX) and (5) Commander Tom - Machines and robots.

WHAT TRACK IN YOUR REGULAR SET HAS HAD THE LONGEST SHELF LIFE? Can't answer this one, sorry.

WHO'S YOUR FAVORITE RE-MIXER? El Horno.

WHEN YOU ARE UP THERE DO YOU HAVE A PLAY LIST OR DO YOU READ THE CROWD? I never have a specific run down or track list. Of course I am thinking of "what would be my first track tonight, hmmm" or things like that but usually it is spontanious and always depending on mood, crowd, venue and the warm up Dj before of course.

WHAT CLUB/EVENT WOULD YOU LIKE TO DO? I have played so many clubs across the globe that this is hard to say. I like every nice venue and event where people are loving music and the set up like technic and sound system are properly installed. I am always looking forward to perform in new places as well.

DOSE IT COST LOTS OF MONEY TO BECOME A DJ? Well, it depends on your point of view what is a lot of money. For me it was a big step when I decided to buy my own equipment for Djing and producing what is hard to get in my country Venezuela. I have to say yes. It was a lot of money in my opinion but probably the best investment I ever made.

FUTURE PLANS? Be happy, be healthy, see all the places on earth I haven't seen yet and always be able to stand beside my daughter as a good mother for her.

Q! "ANAL FOR MEN & WOMEN"

BY DOMINA, SLITZ'S SEX PILOT

Virgin Ass! Gotta love it! It gets me excited whenever someone (no matter the age, sex or sexual preference) is ready to try new experiences & explore their (you guessed it) ASS!!! It's a privilege for me as a Mistress to be a part of someone's growing sexual education! I'm not going to get into all the details about the risks involved in any & all sorts of sexual activities however I will mention to you to be aware, use protection, practice safe sex & don't forget your common sense.

My latest pet was a handsome German with a beautiful face & a fit body. At 39 he tells me that he's never experienced receiving any anal play. To my delight I eagerly had him cleanse himself & lie directly on the bed facing downward (so he'd be more relaxed). As I massaged & spanked his bubbly butt cheeks I made sure I was also lubricating his ass all the way down to the opening of his anus & his balls. With a sterile latex glove on hand my right hand (colored black, so it matches my slutty attire) I began to rub the anal rim with my finger in a circular motion while my left hand gently massaged & caressed his butt cheeks. It's best to have the legs spread comfortably apart in order to have a better view of the anus. After several minutes of rubbing & spanking, I began to apply more pressure to the anal entry & watch as my pet moaned & moved his ass upwards. I could tell that he was beginning to get excited so I had him kneel & bend over. As his ass hung up in the air, I continued to apply more & more pressure eventually penetrating with my long, slim finger. I could feel his sphincter muscles contracting almost felt he was sucking in my finger & about to break

DO SAFE SEX IMPLIES that copulation by anyone with anyone at anytime is alright?

it off. It was very exciting & as he moaned. This sort of activity was merely an introduction to more fun times ahead! If your partner is reluctant to even mention anal sex than when giving oral why not give a little attention to the anus by gently rubbing it while licking, flicking & sucking their cock or pussy. Look, listen & feel your partner's reactions. See how far their willingness is to explore beyond the familiar. These activities are best done with someone you trust & have a unique bond with. And as long as you're able to let all your inhibitions free & forget for a moment the thought of worry, doubt & fear than both you & your partner will have a very pleasurable & unforgettable experience!

And since I also enjoy the thrill of having my ass poked and probed I've learned that it's best to try & keep the anal sphincter muscles relaxed & never forgetting to lubricate whatever it is that's about to come in. Nice & slow, working it in like Jenna Haze. For more inspiration, I get a thrill watching Tori Black, Rebecca Linares & some Taylor Rain to get me up & ready for some much anticipated ass pounding. These girls make It look fun & so does Brent Corrigan In those twinky porn. Well, whoever or whatever you are, anal sex can be a fun & pleasurable experience. Enjoy! ! /

SEAN "DIDDY" COMBS
– I AM KING...

SEAN COMBS, the CEO and founder of Bad Boy Worldwide Entertainment Group is a multifaceted entertainment powerhouse. Sean "Diddy" Combs was recently declared "One of the Most Influential Businessmen in the World" by Time Magazine and CNN. Combs, 36, oversees one of the world's preeminent urban entertainment companies, encompassing a broad range of businesses including recording, music publishing, artist management, television and film production, recording facility, apparel and restaurants.

Music has always been at the heart of his career. He is a recognized producer, solo artist and performer, who has produced chart-topping hit songs for music superstars including Aretha Franklin, Sting, Jennifer Lopez, Mary J. Blige, Janet Jackson and the Notorious B.I.G. Combs, has also released four multi-platinum albums and won his third Grammy Award for the 1 song "Shake Ya Tailfeather" from the Bad Boys II soundtrack, which he executive produced. In 2006, Diddy released Press Play, his hugely anticipated follow up album which debuted at the top of the charts awarding him the number one album in the country.

Sean's success in music has translated into a collection of business including the screen. With television, Diddy and MTV have always had a special relationship beginning with his famous videos and show stopping VMA performances. In June 2003, Diddy teamed up with MTV to find the next big hip hop group with Making the Band II which aired for three seasons. Diddy brought a new installment of the now hit show with Making the Band III in spring 2005, when he was in search of an all girl group. Diddy has also entered into a first-look, overall production agreement for future television projects with MTV which to date includes the mega-hit show, Run's House. Combs will continue to provide executive producer services in connection with developing, supervising, producing, consulting and possibly appearing on potential MTV branded programming.

Acting is fast becoming an important ingredient in the burgeoning empire of Sean Combs. Beginning with his acting debut in the film "Made," Combs also appeared in the highly anticipated prequel "Carlito's Way: The Beginning" directed by Brian De Palma and went on to receive critical acclaim for his supporting role in "Monster's Ball" opposite Halle Berry. Adding to his roster of television ventures, Diddy joined the HBO family in June 2005 with the series "P. Diddy Presents the Bad Boys of Comedy" which features the hottest up-and-coming urban comedians performing in front of a live audience.

Not only has Combs made an indelible mark on the worlds of entertainment, he continues to break new ground in the fashion industry. Since the inception of his label, Sean John Clothing, Combs has been praised for his innovative and sexy approach to fashion. His efforts were recognized in 2004 when he was awarded the prestigious "Perry Ellis Menswear Designer of the Year Award" from the Council of Fashion Designers of America (CFDA). Additionally, Combs launched his first fragrance, "Unforgivable" in 2006 with cosmetics giant Estee Lauder which quickly became the number one selling fragrance across America followed by "Unforgivable Woman" in 2007 and I Am King in 2008.

Also in 2007, Sean partnered with Diageo for a groundbreaking strategic alliance to oversee and manage all branding and marketing initiatives for Ciroc Vodka..../**SLITZ**

INTERNATIONAL DVJ ARTISTS///

THE GUN

SYNCHRONICITY - CINFUL & DIONYSUS

– INTERNATIONAL DVJ ARTISTS, PRODUCERS & PLAYBOY MANSION RESIDENTS ...

INTERVIEW

DESCRIBE WHAT YOU DO AND WHO YOU ARE IN 3 SENTENCES? We are Synchronicity - Cinful & Dionysus: a sexy DVJ team that perform cutting edge audio/video nightclub performances. We create custom video for each track that we play so that the video is just as entertaining as the music giving the audience a truly spectacular party experience. We play internationally and all over the USA including a residency at the world famous party house, the Playboy Mansion.

HOW DID THE BREAKTHROUGH HAPPEN? We got a call from a promoter late November 2008, about a month after our first gig. He asked us to co-headline at BETA nightclub which was voted America's No 1 nightclub about 2 months later at Winter Music Conference 2009. We made sure that we recorded our BETA gig on video and got some great photos. We were then able to create a great set of promo material for our press kit and things have taken off since then.

WHO DOES WHAT? We feel that track selection is the most important part of our performance so we are both equally involved in selecting the music that we play. We also are equally involved in the video that we select as we synchronize it with the music. At the moment, Cinful takes care of more of the audio while Dionysus does more of the video during a live performance. But as we continue to do more events, we will split the audio and video responsibilities 50/50 so that we can tag team and play longer sets.

WHAT TRENDS DO YOU SEE EMERGING IN THE PARTY/NIGHTCLUB? Video is definitely becoming more and more prominent. More clubs are installing more video screens so great visuals are becoming more important for clubs to create more visually stimulating party experiences. Soon clubs will have to have a lot of video screens and also book more DVJ artists to fully create the pure multi-sensory experience for their crowds. There also seems to be more teams emerging such as 2 DJs

RON BERNARDINO

– DJ ...

INTERVIEW

FOR THOSE THAT DON'T KNOW GIVE THEM THE RUN DOWN ON WHO YOU ARE. I am DJ Ron from Hong Kong. International DJ. Formerly of Hype Manila and now the main man of AWOL Crew.

HOW LONG HAVE YOU BEEN A DJ AND WHY DID YOU FIRST GET INTO DJING? I have been a DJ for the past 5 years doing it full time. Back then I really wanted to be a radio DJ. Curiosity got me into DJing when I used to hang out in the events held by a radio station.

WHAT WAS YOUR FIRST BOOKING AND WHAT HAS BEEN YOUR BEST DJ EXPERIENCE? I started with Absinth in 2005 til 07. I came back to the PI in 2008, DJ Shorty got me and we were like rockstars altogether with DJ Rye and DJ Trident as we pack the clubs Ascend, White Avenue and Bureau.

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? My biggest gig so far was spinning for Star Cruises for almost a year touring the Asia-Pacific. I have been to Singapore, China, Thailand, Malaysia, Taiwan and Hong Kong.

DO YOU PREFER PLAYING AT CLUBS OR BIGGER EVENTS? Clubs, it is always a good feeling when you enter the club as a nobody then after you spin everybody approaches you, get a few drinks and meet new friends.

WHO AND WHAT ARE YOUR INFLUENCES? Navi Terencio has been my biggest influence. She really guided me when I started AWOL Crew as well as the ins and outs of the business and how to run your own team. Rico Robles has been a good friend throughout the years and I admire his work and the quality he brings in.

HOW WOULD YOU DESCRIBE YOUR SOUND? Mixtapes and real mash ups is my sound. I dare to be different and maintain the quality of the music. I don't play stuff like Mr.Brightside or Party in the USA. If other DJs play it then it is their choice but I just wont. I am a crowd pleaser so expect me to hype up the crowd starting with my first song to the last.

WHAT'S YOUR TOP5 TRACKS AT THE MOMENT? In no particular order:

- PUT IT IN A LOVE SONG – Alicia Keys feat. Beyonce
- STUTTERING - Mario

WHO'S YOUR FAVORITE RE-MIXER? DJ Kimozave.

WHEN YOU ARE UP THERE DO YOU HAVE A PLAY LIST OR DO YOU READ THE CROWD? I read the crowd. If the crowd don't like the song I am playing, I change it immediately. I transition fast I don't finish a song I switch it up even after like it was just a few seconds in between songs.

WHAT CLUB/EVENT WOULD YOU LIKE TO DO? Of all the clubs I have been to, I never got the chance to spin for Encore and Icon. I would love to be on Springbreak and Mardi Gras. I would even spin for free just to be there.

DOES IT COST LOTS OF MONEY TO BECOME A DJ? WHAT TYPE OF EQUIPMENT DO YOU OWE? Yes. It costs a lot of time too as you need to get new songs and do your own remixes. I don't have my own equipment. I don't feel I have the need to coz I spin in the clubs every week. But if sponsors would provide me, then why not.

FUTURE PLANS? Make noise in this industry. More seasoned promoters, more sponsors and bigger events. When other DJs make money spinning in the clubs, I want AWOL Crew to be a corporation where we get paid doing other stuff. I cant give out that much info. This year we will get bigger, better and stronger.

YOUR TOP5 DJ WEBSITES? Magicians never reveal their secrets and so do DJs. But there is this 18 yr old kid doing sick remixes. http://flipboitamidles.blogspot.com/.

INTERVIEW

HOW DID YOU GET INTO FASHION DESIGN? I started paying attention to fashion as a teen. I use my mom's clothes and shoes and would ask her to take me shopping. I also got hooked with magazines, watched what the celebrities were wearing and eventually started adding flair to my style.

WHAT INSPIRED YOU? Party, social life is my inspiration people around me friends and different types of crowd. Every time I encounter them I get this crazy idea and turn it into fab designs.

WHAT IS MOST CHALLENGING ABOUT YOUR WORK NOW? Doing all my craft at the same time and being good at it. Working in different fields and still having fun, creating the things that your client desires even if you hated it.

WHAT ABOUT FASHION AS A BUSINESS? Its always been my dream to have my own clothing line but im not yet ready to venture and compete with other designers, right now I still need to learn more and present my creations in my own way.

WHAT FOR YOU IS EXCITING IN FASHION NOW? It's how music artists have been collaborating with popular fashion designers, per say, Lady Gaga and Katy Perry. It makes a lot of people interested into venturing our world of Fashion.

ARE THERE ANY DESIGNERS, PAST OR PRESENT, THAT YOU WOULD HAVE LIKED TO WORK WITH? I think Coco Channel (THE LEGEND) I so love Channel and I would love to work with Mark Jaro Necesito his creations are fabulous and colors makes it more interesting, he is one of my inspiration.

IF WE INVEST IN ONE THING THIS SEASON, WHAT SHOULD IT BE? Pastel colors, it's the right color for summer.

FINALLY, DO YOU HAVE ANY FASHION ADVICE OR STYLING TIPS YOU COULD GIVE TO OUR READERS? My only advice for the people is learn how to command your style, wear it, flaunt it, and be confident, there are no rules, as always fashion is almost "everything". just like this saying " YOU CAN BUY FASHION BUT U CAN NEVER BUY STYLE". /**SLITZ**

FACTS

COMPANY NAME: M33 The company, Inc.
CITY: Manila
MOST FAMOUS FOR: Alcoholic Ice Cream.
OWNERS: Arnel Bondoc, Tricia Gana, Pinky Jacob-Ileto, Mimi Manalo and Earl Yu.
WEBSITE: www.lickqueur.com

WHATS YOUR FIRST FLAVOR/PRODUCT? The first flavor or baby was the Margarita! But as a business we launched 6 flavors altogether. We have the Sinfully Butterscotch (Butterscotch Amaretto), After Midnight Mint (Choco Mint Martini), Strawberry Kiss (Strawberry Martini), Paint the Town Orange (Choco Orange Martini), OMG!!! (Screaming Orgasm) and Margarita Passion (Classic Margarita). Available in pint, quart and half-gallon flavors.

> We officially finalized our 6 flavors by November 1st. We opened a facebook fan page and that's when we got noticed by customers, retailers and distributors alike...

ALCOHOLIC ICE CREAM
– LICKQUEUR ADULT ICE CREAM...

WHAT IS "LICKQUEUR" AND HOW DID YOU GET YOUR START IN ICREAM INDUSTRY? Lickqueur is derived from the French term liqueur for liquor or alcohol, but we incorporate "lick" since our brand is all about alcohol or liquor you can lick! It started when all 5 of us friends met 3 years ago, sharing the same passion for good company, great food, alcohol and hanging out. Our partner, Tricia, is a chef who studied at the Le Cordon Bleu in Bangkok where she discovered the alcoholic ice cream concept there and thought of adapting the same to the Philippines! She started experimenting on making the 1st margarita ice cream and let all our friends try and comment about it! After several tries and flavors created, we thought of finally making this into a business since it's basically a fun way to get buzzed or wasted!

YOU ARE MOST FAMOUS FOR? We are the 1st premium alcoholic ice cream in the Philippines. We are not a pseudo alcoholic ice cream or alcoholic flavored ice cream. We are the real deal with our 7-10% alcohol content that is even stronger than beer! So whatever the ingredients are fused into a cocktail, we carry the same ingredients in ice cream form!!!

HOW DID THE BREAKTHROUGH HAPPEN? We officially finalized our 6 flavors by November 1st. We opened a facebook fan page and that's when we got noticed by customers, retailers and distributors alike. By December, we booked our 1st major ice cream catering gig sponsored by MTV Philippines where we served 5,000 people at SMX! Then, our first publicity happened with Click the City where we were featured in February and that's when a lot of doors opened for us!

HOW DO YOU SEE YOUR BRAND? We see our brand as global definitely. We would like to be available in most parties, events and weddings all over the Philipines in the future. We aspire to create more sexy, exciting and funlicking flavors and alcoholic ice cream as well. We also see the possibility of exporting Lickqueur!/**SLITZ**

Using nothing more than two iPads, a pair of headphones, a mixer, and a few apps, Sobhany is able to produce professional-quality beats for a fraction of the cost.

I'll cut the chatter, especially considering the following video is nearly 20 minutes long, enjoy:

BEST OF TV SHOW

CALIFORNICATION

– A CHARMING LADIES' MAN OF A WRITER AND NOVELIST PLAGUED BY PERSONAL DEMONS....

Hank Moody, a charming ladies' man of a writer and novelist haunted by personal demons. He blames his years-long case of writer's block on a variety of reasons, ranging from the hedonism of Los Angeles, to his girlfriend Karen leaving him. Hank constantly deals with the consequences of his lack of will to say "no" to available drugs, sex and alcohol, while trying to show his family that he can be a good, responsible caring father and a monogamous partner.

Famed novelist & NYC transplant Hank relocated to LA after his acclaimed book was optioned, only to be disappointed when it later becomes a crappy romantic comedy. Since then, he's struggled to get his career back on track and raise his young daughter, all while pining for his ex-girlfriend. It may sound desperate, but he enjoys life and owns all his various vices — drink, drugs and women — with a refreshing sense of honesty and unapologetic candor. He's holding it together while falling apart, and he doesn't mind it one bit. /**SLITZ**

HOW TO MAKE IT IN AMERICA

– THE NEXT ENTOURAGE.....

"How to Make It in America" (from the producers of "Entourage.") follows two enterprising Brooklyn twenty somethings as they hustle their way through New York City, determined to achieve the American Dream. Instead of exploiting instant fame and wealth in Hollywood, these New York slackers are dodging creditors and cops, hoping for a break in the garment business, or at least enough cash to pay the rent. Disappointed about the first season only being 8 episodes long, but a renewal for a second season would most certain make up for it. /**SLITZ**

OFFICEPOD

OFFICEPOD. CHANGING THE WAY PEOPLE WORK.

A place dedicated to work. The garden based POD is of the highest quality design and provides a work environment that is separate from the disruptions of home life. The line between 'work' and 'life' is becoming blurred. The mix of workspace that organisations provide must reflect this.

In recent years, employers have begun to feel pressure from every angle be it Government and European regulation, environmental obligations or employee rights and aspirations. As part of an accommodation and workplace strategy, OfficePOD enables an organisation to meet these challenges head on.../**SLITZ**

ITS CALLED SH!
– GIRLS TOYS

> Sh! is nothing like the average "high street" sex shops. No men are allowed unless with a woman, and the shop is staffed entirely by girls....

In a little square in Shoreditch, London is a unique shop which caters to women and couples only. Sh! is nothing like the average "high street" sex shops. No men are allowed unless with a woman, and the shop is staffed entirely by girls, all of whom will gladly explain how and what a product does. They even offer classes!

Men are considered "guests" so don't try to show up alone guys. They have free coffee and tea and all the toys are out on display, with batteries, clearly labelled and with all the...um, vital, details.

It's a really "hands on" shopping experience, you can see if something is too loud or too wild or just to big to handle. The range of choices is huge; you will not go home empty handed.

Personally, every city needs one of these shops ~ just for the girls. Let them bring something home and surprise you! /**SLITZ**

SEX TAPES

– HISTORY OF CELEBRITY SEX TAPES...

Every now and then a new Hollywood star joins the celebrity sex tape club. Many have come and gone, with Paris Hilton and Pamela Anderson's being the most notorious, but there have been plenty that have come before the two heavyweights.

A sex tape can be an embarrassing career setback (Rob Lowe), spawn criminal charges (R. Kelly) or boost one to stardom (Paris Hilton). Below, a brief timeline of recent celebrity sex tape releases:

1995: Pam Anderson and Tommy Lee: The grandmammy and grandpappy of sex tapers captured their honeymoon love-making on video. The couple won $1.5 million in damages, but was never able to stop the distribution and the mass popularity of the illicit video.

1996-97: The Lewinsky-Clinton political sex scandal of the century. Who would ever forget this history maker of the Oval office and the "blue-dress" which lead to the impeachment of Clinton before the 2000 US presidential election.

1998: George Michael's times of haziness over several drug violations which lead him more than just a park sexual scandal, but also to coming out that he is definitely gay.

1999: Kid Rock and Scott Stapp get it on with a couple of groupies in the same bus. The video leaked for a while but was blocked by the female participant and Stapp.

2002: R. Kelly: almost single-handedly created a new industry after he appeared in several videos. One of the tapes allegedly showing Kelly having sex with an underage girl led to a child pornography trial. After six years, a jury found Kelly to be not guilty.

2003: Paris Hilton and Rick Salomon: "1 Night in Paris," from which Hilton now receives profits, catapulted the deceivingly dippy socialite from obscurity to the crest of the reality TV wave.

2005: Pam Anderson and Bret Michaels: Fool me once, shame on you. Fool me twice... Apparently pre-dating the Tommy Lee Romp, this four-minute video surfaced in 2005.

2005: A video of Limp Bizkit frontman Fred Durst having unprotected sex with a model arrived on the internet after being stolen from his computer.

2006: Dustin Diamond better known as Saved by the Bell's Screech: The one-time "Saved by the Bell" co-star self-released a 40-minute tape that made the "Dirty Sanchez" famous, but didn't do much to revive Diamond's flatlining career.

2006: DirtyColin.com Yes, it's the hot-badboy Colin Farrell on his 15-minute of "greatness" with ex-girlfriend and Playboy playmate Nicole Narrain. The short video leaked like wildfire on the net, however was shutdown abruptly too.

2007: Kim Kardashian and Ray-J: Although Kardashian said she was "hurt and embarrassed" by the footage, it likely contributed to E!'s continued success with reality show "Keeping Up with the Kardashians."

2008: Verne Troyer: The diminutive actor, famed for his role as Mini-Me in the "Austin Powers" movies, was able to arrive at a settlement with distributor SugarDVD after successfully having a portion of the footage removed from TMZ.com.n./slitz

2008: Jessica Simpson and Nick Lachey steamy husband and wife sex acts during their so-called marriage. Jessica was horrified with this since she considers herself as a girl with principles and morals.

2009: Eric Dane and Rebecca Gayheart, 2009 sex tape which shows them both walking naked and their bedroom and hot tub romp too! /**SLITZ**

RAW MODEL

INTERVIEW

PROFESSION? I am a freelance model...

WHEN AND WHY DID YOU START MODELING AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? I started a couple of years ago but I stopped cause of some relationship issues. Then went back just recently.. and why? Cause I just love the camera, attention, I love showing skin and proud of it.. Nothing really inspires me.. I just love doing this.

WHAT TYPE OF PHOTOSHOOT IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? I think my ideal type is getting really sexy/hot/wild kinda photoshoot but at the same time is classy :) and the type that I would not accept is pornographic shoot.

WHAT HAS BEEN YOUR MOST MEMORABLE GIG SO FAR? Oh. it was the music video shoot of Rendezvous by Dice & K9. All my friends were there watching me dance and stuff but it was fun. I had really fun! :)

ARE THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? Oh yes.. Just recently we were in ICON dancing with my gfs and then this dirty not that old man keep on following me everywhere I go and then how he got my number? This one waiter begged for my name and number for that guy... To shut him up i just gave it! Then the next day im receiving text msgs from him telling me to sleep with him and offered me money.. Its just so funny and sad that they think they can get girls to sleep with them and pay them after.

WHAT'S YOUR FAVORITE STYLE OF SHOOT? a Pin-Up shoot like this.. :)

WHAT IS YOUR SECRET TO KEEP YOUR BODY SEXY AND HEALTHY? Well I don't have any secrets actually, I just eat normal.. I don't work out.. That's it! Haha I just think I'm blessed.

WHAT PART OF YOUR BODY DO YOU CONSIDER AS BEING YOUR BEST ASSET? I thinks its my tummy/belly, my long legs and I'm so proud of my neck and shoulders too.. But some guys said it's my upper ass dimples.. ;) and i agree with that too.. Haha

HOW'S YOUR LIBIDO? I think mine is pretty crazy. I have tried lots of crazy things with girls and guys.. lol

HAVE YOU TRIED MAKING LOVE IN ANY PARTICULAR OR WEIRD PLACE? I have tried in a balcony before but didn't enjoyed cause i hate having sex in public.. haha I'm more on dim light passionate making love in a room.

YOU WILDEST SEXUAL EXPERIENCES? Okay... Wildest? 3 some.. Sandwich.. Done that couple of times Hehe I have this really wild experience but its so intense I can't say it here.. lol

TURN-ONS? I like it when my guy touch my whole body slowly like caressing me.. That really turns me on.

WHAT IS YOUR FAVORITE POSITION? SPOON! Haha and doggie oohgie style. lol Love that so much!.

IF YOUR BEDROOM WALLS COULD TALK, WHAT IS SOMETHING THEY WOULD BE ABLE TO TELL US? Haha that's a funny question! I think it would say "put some clothes on please..." cause I'm always naked alone, I love that.. and the good thing is I never bring guys in my room. :). /**SLITZ**

INTERVIEW

PROFESSION? Porn Star

HOW DID YOU FIND YOU WAY INTO PORN, AND HOW OLD WERE YOU WHEN YOU STARTED? I was always a bit kinky and went to a lot of fetish and swingers clubs. I was asked by a designer friend to do some fetish fashion modelling at one of the events. While doing that, I met someone from Playboy who offered me some work and I havnt looked back since. That was around a year and a half ago.

DO YOU KNOW HOW MANY FILMS YOU'VE STARRED IN? No idea, I have lost count!

WHAT'S THE FUNNIEST THING YOU'VE HAD HAPPEN TO YOU DURING A SHOOT? All of my shoots are pretty funny, we are always laughing and messing around behind the scenes.

ARE THERE ANY PERFORMERS YOU REALLY WANT TO BE WITH BUT HAVEN'T HAD A CHANCE TO YET? I cant think of anyone in particular of the top of my head.

EVERYBODY HAS THEIR OWN KINK, WHATS YOUR AND HOW DO YOU VIEW SEX? I have lots of kinks. I love latex, uniforms, public sex, group sex and roleplay. I just view sex as a bit of fun.

I SUPPOSE ONE OF YOUR TURN-ONS HAVE TO BE SEXY CLOTHING... WHAT IS YOUR FAVOURITE THING TO WEAR? I really love wearing latex.

WHAT ARE YOU SHOOTING/DOING TODAY? Im not shooting today. Today, like most days, I am spending in the gym. Then after the gym, I will go through and reply to todays fan mail. I was shooting yesturday though. It was for Daring Media and I was working with Peter Oh Tool who is one of my favourite guys to work with and actually was the guy I worked with in my first ever video shoots for Playboy TV.

WHAT'S GOING THROUGH YOUR MIND WHEN U SHOOT A SCENE? Well I try to make sure that I look good and am performing well for the camera but more importantly than that, I just try to enjoy myself.

WHAT WOULD SURPRISE PEOPLE MOST ABOUT YOU? Most people would probably be surprised that I have qualifications in animal care and managment specialising in exotic animals.

WHAT IS YOUR FAVORITE CURSE WORD? In my movies, I say fuck a lot. But if im really pissed off with someone, I usually call them a cunt.

WOULD YOU LIKE TO GIVE SOME ADVICE TO THE GIRLS THAT WOULD LIKE TO START THEIR OWN PORN CAREER? To any girls wanting to break into the industry, the chances are that you are not just gonna bump into a producer at a club like what happened with me. That was just pure luck. What you should do is check out some of the industry forums and read up about the industry and all the rules and regulations and requirements etc. Find out how things really work before as theres lots of sleezeballs just waiting to take advantage of girls who dont really know what they are doing.

IS THERE A WAY FOR YOUR FANS TO CONTACT YOU? yes, they can follow me on twitter @ilovehollyd.com, bookmark my blog www.hollyd.altpornstar.com and email me to holly@iamhollyd.com.

DO PEOPLE RECOGNIZE YOU MUCH WHEN YOU'RE OUT IN PUBLIC? Yes, pretty much everytime I go out, as soon as people see the tattoos, they know its me.

WHAT WILL YOU BE DOING IN FIVE YEARS? In five years time, I would imagine that I would still be in the industry and hopefully be the proud owner of lots of awards and one of the best sites on the net.

THANK YOU SO MUCH FOR TAKING THE TIME TO DO THIS INTERVIEW. No worries, thanks for taking the time to interview me!-)/**SLITZ**

-SELF TAUGHT ALTERNATIVE MODEL

RAW MODEL

INTERVIEW

DESCRIBE WHAT YOU DO AND WHO YOU ARE IN 3 SENTENCES? I'm a self taught alternative glamour model from New Zealand, Moving to Australia in September this year to try out some bigger and better things in the industry. I have my own style and my face is very unique, so i bring my own kind of look to the world of modelling. I love modelling, glitter and music that makes you wanna dance.

WHAT MADE YOU WANT TO DO MODELING AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? I liked the feeling of having people say that i was a role model to them. Girls liked that fact that i had curves, tattoos and wasn't your average 5 foot 9 model, so it gave them something to look to when they needed to know that you don't have to look a certain way to achieve big things.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AND THE WORK YOU DO? I've done runway shows here and there but so far, working with Mr, Julian Garcia for Slitz Mag.

WHAT'S THE FUNNIEST THING YOU'VE HAD HAPPEN TO YOU DURING A SHOOT? My boyfriend is a photographer, he's just starting out and using me as practice. A lot of people think that because he's a photographer that , that's the reason i've got further that i have or that i am only with him for that reason. Which i'm not, i was with him for about 6 months before he was even considering the idea. I like helping him out :).

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? The ideal type would be something to do with breaking the barriers and testing the waters. Something like being the first girl with a sleeve on a magazine like Zoo, Ralph or FHM. I also love doing clothing catalogues that are for companies with that 'tattoo' feel to their clothes or skating companies. I do not do nudes. I feel it's too easy for girls to get famous that way. I wanna take the hard road and when i get there, i will feel like i've really worked for it.

FAVORITE PHOTOGRAPHER? Well of course, Chucky from Chuckysphotography.com but internationally, i like Tom Barnes and Andy Hartmark. They have such wacky ideas and their lighting is perfect every time. I'd really like to work with them in the future.

ARE THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? Yes, many. I once had someone from America email me and say they would fly me over, pay for accommodation and give me 3 thousand dollars for a nude shoot. I then asked for more information as i could tell straight off he was a fake. He gave me a web address to look at his photos and it was just a sleazy guy with a $300 camera.

WHAT IS YOUR SECRET TO KEEP YOUR BODY SEXY AND HEALTHY? When you feel like eating something chocolaty or sweet - just opt for the milk version!! I.e , Chocolate Milk!

SO WHATS THE STORY BEHIND YOUR TATTOOS? WWow.. this is gunna take awhile haha. Well i have a pirate pin up girl on my left upper arm, she has a treasure chest full of coins, diamonds and knuckle dusters. It also has a banner saying 'Thicker Than Water' and two swallows, one smaller than the other. What this represents is, when i was 8, my mother and father split up and my mother and i moved to a place called the Malbrough Sounds. It's pretty much like the TV Programme 'Survivor'. No TV, Electricity, Flushing Toilet, Cellphone or Cellphone Range, No Supermarkets. Nothing. Just a batch (which was a box, no rooms) in the middle of an island, in the middle of no-where.
This tattoo reminds me of that experience and to never forget the little things in life. The knuckle dusters, in this case, represent the bad things that came with that such as my parents splitting up, having no friends etc. The diamonds represent the good things like being home-schooled by mum and learning a lot about the land, because we had to catch our own food, so i was out there fishing, collecting shell-fish and growing veggies.
The swallows are my mother and me, and the thicker than water is a family saying 'Blood is thicker than water', but also referencing the large stretch of water that was between us and civilization. The anchor which says 'AITCHI-

INTERVIEW SON' and '1991' in the banner, is my last name and birth year. It also reminds me to keep grounded for my family and to never get a big head if I achieve my dreams.
I also have a girl who is ripping her heart out , with a banner that says 'SUCKER FOR LOVE' , self explanatory really, we've all been in love and had it tear us apart. I had another girl on my forearm with some roses, and she has a microphone around her neck choking herself. This means to me 'When you choke on your words, music will speak for you.'
I have a lime green spider web with a horse shoe on my elbow, this is simply to bring me good luck.
I have a old school gambling machine with LADY LUCK written on it. It has a 25 CENT sticker on it, and there are coins flowing out of the machine. This means to me, 'When you put something small in, you will get a lot out of it in the end".
I have a pink girly skull with a bow also on my sleeve, I just thought it would look good :) .
I have a zombie girl under my arm by my armpit that is smiling and holding a cup-cake. She is all torn up but she still has a big smile on her face. This reminds me that no matter how much haters try to tear you apart, never give them the satisfaction of knowing it.
I have heaps of hearts on my sleeve because i love romance.
I also have a small heart next to my thumb. I have a bass clef on my neck because i played bass guitar for awhile before i started modelling.
I have a pair of legs on my neck, that have fishnets on them and big heels with suspenders. This was a friendship tattoo but we are no longer friends and I am covering it up soon.
I also have a shark on my foot, she is smiling with a big cute teethy grin and has a bow on her head. This is to show people that even the most deadliest creatures still have that cute side to them.. many girls can relate to that.!

WHAT ABOUT MODELING AS A BUSINESS? I would love to model for a business, I am currently un-signed and have enough drive to make this as big as it can be!

THE ASTON MARTIN RAPIDE

A FOUR-DOOR, HIGH-PERFORMANCE SPORT SALOON

The Aston Martin Rapide is a four-door, high-performance sport saloon, which British luxury marque Aston Martin plans to introduce in early 2010 to compete with the Maserati Quattroporte and Mercedes-Benz CLS-Class, along with the upcoming Audi A7, Porsche Panamera, and Lamborghini Estoque. It was first presented as a concept car at the North American International Auto Show in 2006. The Rapide name is a reference to the Lagonda Rapide, a saloon car produced by Lagonda, now part of Aston Martin. The car is based on an Aston Martin DB9. The base price for the Aston Martin Rapide is $199,950 (USD) and is scheduled to be available in April 2010.

Aston Martin has announced that the Rapide will be built at a dedicated plant at the Magna Steyr facility in Graz, Austria. Production will start in 2010 and the factory plans to build 2,000 per year.[2] The production version will feature a full-length glass roof and LED light bars on the rear end, two firsts for Aston Martin.

For luxury and convenience, the Rapide's standard features include a tilt-telescoping steering wheel, bi-xenon headlamps and LED taillamps. Leather and walnut trim are standard, with metallic accents; power front seats with memory and heating; Bluetooth; satellite radio; and USB and iPod connectivity. [3] The production version of the Rapide was shown at the 2009 Frankfurt Motor Show..

AUDI R8 V10

EXPERIENCE PERFECT CONTROL OVER INCREDIBLE LEVELS OF POWER

Words_JOHN ENAR KARLSSON

Powered by a Lamborghini-sourced V10, the latest R8 sends 525 horsepower to all four wheels thanks to a sophisticated quattro all-wheel-drive system. The car was introduced to the public at the 2009 North American International Auto Show in Detroit.

Though sporting two more cylinders and a little more grunt midship, V10-powered R8 doesn't feature too many visual differences from its V8 sibling.

More air is fed to the ten-cylinder through larger side scoops, which jut out sharply from the body-side, adding a more aggressive stance to go with its increased power. The lower side sill also get an extra flare which runs along the wheelbase, adding further visual cues that this is the true uber-Audi. The changes are subtle enough to be obvious only to those in-the-know, thus keeping the R8's clean lines as uncluttered as possible.

However, some subtle changes from the standard R8 will include dual oval exhaust outlets, bigger side air intakes, a revised front and rear fascias and larger brakes. The V10 version also sports unique LED headlights and a rear diffuser.

Prior to the car's launch, rumors were swirling that Audi would name the V10-powered R8 the R10 or RS8, but the more technical "5.2 FSI" designation was used.

The V10 is the same 5.2L FSI powerplant found in the new Lamorghini LP560-4, albeit detuned to 525 horsepower and 390 pound-feet or torque to keep the R8 out of the Gallardo's territory. But despite being down a bit on grunt, the R8 V10 can still rocket from zero to 62 mph in 3.9 seconds, on its way to a top speed of 196 mph.. /SLITZ

The driver's seat is positioned near the LFA's center of gravity. The placement is aimed to provide maximum car-to-driver feedback, especially under sport or high G-force driving conditions.

PAUL MILITAR

NAME?
Paul Militar

BORN?
Marikina "The Shoe Capital of the Philippines"

HOW AND WHEN DID YOU GET INVOLVED WITH SKATING?
I started skating way back year 2000 and I was only 11 years old. I remember seeing my friend Christian going home late at night riding a skateboard. I became really curious about it and I was like "I want to do that, I want skate! I want to try that!", so I decided to buy my own skateboard. Then I started not eating at school just to save my allowances and I had a feeling my mom wouldn't buy me one, because I've already dislocated my shoulder blades from a past BMX injury. I remember those days every time I go home after skating I had to hide my skateboard from my mom and had to put it on my friend's roof so she wouldn't know that I've been skating. (Hahaha!) By that time I didn't really expected that skateboarding would be my LIFE NOW.

THE CREATIVE SIDE OF SKATEBOARDING, HOW DO YOU KEEP DEVELOPING YOURSELF?
Well you know, for me.. I consider skateboarding as a form of art. It's like expressing yourself more by doing what you feel or what you want most, specially having a 100% pure fun. There's so much personal styles involved in it. I just try to skate, to express how I feel and never stopped doing my thing.

WHO IS THE BIG PROMOTERS OF SKATEBOARDING IN MANILA, AND HAVE DONE A LOT TO PROMOTE AND PROGRESS SKATEBOARDING HERE?
All the skateboarders who shares their huge passion that they have for skateboarding.

SO WERE ARE YOU USUALLY RIDING? You can see me rolling in the streets anywhere.

YOUR FAVORITE TRICKS THAT YOU MASTER? Feeble grinds, blunt slides and 360 flips it makes me feel really fulfilled every time I'm nailing those tricks. its like getting laid with one of the girls on this magazine. Hahaha!

TOP 5 SKATE WEBSITES?
www.bakerboysdist.com, www.welegendary.com www.thrashermagazine.com, www.slapmagazine.com and www.flipskateboards.com.

YOUR FAVORITE SKATE MUSIC, BOTH LOCAL AND INTERNATIONAL? Probably Notorious Big, KRS-One, NAS , Collie Buddz, Alborosie. As for the locals Pamilia DiMagiba, Skarm and Ampon. Those artist's gets me hyped whenever I skate.

ANY ADVICE AND TIPS FOR SKATERS OUT THERE? Travel and skate anywhere, try to find different and awesome skate spots. Explore and be creative, skate every single day that you have. Don't be afraid to show others who you are. Run fast when popo's or the manong guards chase after you just for skating. Always have fun! Skateboarding is all about having fun. SKATE 4 LIFE!! /SLITZ

AT THE HEART OF D'MALL, Tides is a convenient place to stay. There are stores and restaurants all around. The Hotel is sleek, clean, young and modern. This boutique hotel is perfect for yuppies just like myself. The queen bed was just right and the sheets were clean. I love the overall look of the room. It was very modern with great lighting.

The Tides' roof deck was cool. Never mind the view of rusty roof tops of other establishments.

The breakfast buffet was mediocre but gave a good start of the day. The staff were courteous and the service was ok. Unlike other reviews, we had no problem with noise. We stayed on the second floor and didn't hear a peep. We slept well. (More images on p.102), www.tidesboracay.com.

CONFESSIONS OF AN EXECUTIVE-MAN.....

By www.truesexstories.org

I am an Executive European guy who happens to like Manila. I come back as often as vacation permits me, not just to meet people that I have become friends with along the way, but also to find the girl of my dreams! Well, not exactly my dreams; more like I enjoy the place, enjoy the locals, and the girls. Yes, you hear me… girls! I like meeting 'pinay' girls for some reason. They are just beautiful to me. Being the white guy I am, I thought meeting them would be hard. To my surprise, pinays are pretty friendly to white boys like me. It starts with engaging conversations, offering a drink, soon a movie, and eventually when you hit good luck, my hotel room. It was mutual fun. Nothing forced just two consenting adults. I would not want them to think otherwise. But there is one instance that took me by surprise.

I was to meet a friend at the mall, when this nice pinay girl went close to me and asked me for a light. I'm not a smoker so I said I don't have it. She smiled at me and asked me again if I would like to have coffee. This I am getting the vibe. We went to a coffee shop, ordered cappuccinos and continued our talk. She was pretty, petite, slim, long haired, and very cheerful. Time went fast and it was time for me to get back to my hotel. I was telling my 'nice-to-meet-you line' and call it a day, but she suddenly went silent. She would not look at me but rather stare at the table. Again I said it is time for me to go. Its 8pm I said, but she won't move. That is when I ask if she would want to come to the hotel with me. She stood up instantly with beaming face and pulled my hand. I was like 'OMG! This girl is game!'

We went to my hotel room and I showed her the couch where she dumped all her things and without wasting time she pulled me and kissed me. This girl is so into me I almost screamed! She was kissing me hungry. I can swear she is growling. Her hands are all over me. Slipping off my shirt, undo my belt, and swiftly slid off my pants. She is fast! I did not waste time too and I was readily hot and horny by then. Naked and hot we were standing on the bedside. I tried to carry her but she refused and pushed me on the bed instead. I sat on the bed, all naked, and she crawled towards me like a tiger ready to eat her prey! I am so horny and screaming in my head! This is luck! Am I dead?! 'Cause I could swear I must have gone to heaven!!!

Slowly she strip in front of me, all naked and burning she pushed my legs open and groped me. Licked me, literally eat me like German franks! It was amazing! Her loud moaning made me flip her on the bed and started to lick and eat her pussy over and over. She is squirming restless on my bed. Shouting, groaning, and talking dirty to me which made me hornier. We fucked in several angles different positions both bringing the night on. She ordered me to fuck her doggie as she get on all fours. I ram it into her and fucked her hard. She was holding the headboard of the bed as I keep fucking her from behind. I can feel her tight pussy taking my hard cock all in and it felt great! Then she shouted that she is close to cumming. I thrust harder and faster this time. Fast and hard my cock slams into her wet-wild pussy until I felt her juices flow. She screamed in ecstasy when I finally shoot my hot cum while in her. We fell on the bed so tired and sweaty. I was gasping loud and actually telling her it was a great fuck. We lay for a few minutes when she excused herself and went to the bathroom. I was trying to talk to her telling her I had a nice time and that we should do it regularly or that maybe I could see her again. And to my surprise she is suddenly in a hurry to get out the room. Dressing up fast and taking her things she says that she had to go home 'cause her parents are waiting for her. I was confused! It's a great sex but end up like a 'wham-bam'thank-you-man!'

I was not able to stop her. She took her stuff and went out like flash! I was still confused sitting on my hotel bed naked trying to figure it out. Anyhow, it really was a great fuck, and I would not mind if she would want to do it again. I am in Manila again!
